

BMPCC 4K/6K

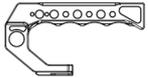

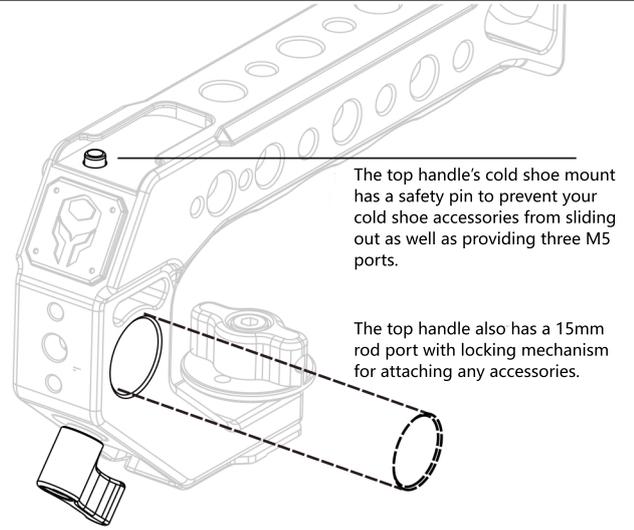

TILTA FOR CAMERA RIG

TOP HANDLE

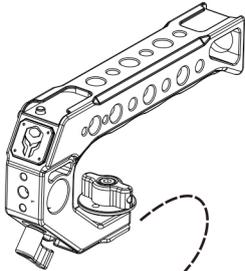

LENS SUPPORT

ROD ADAPTER

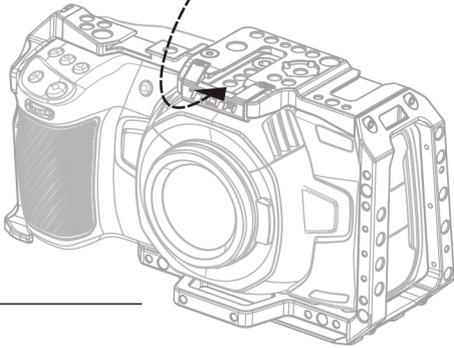

3

TA-T01-QRTH

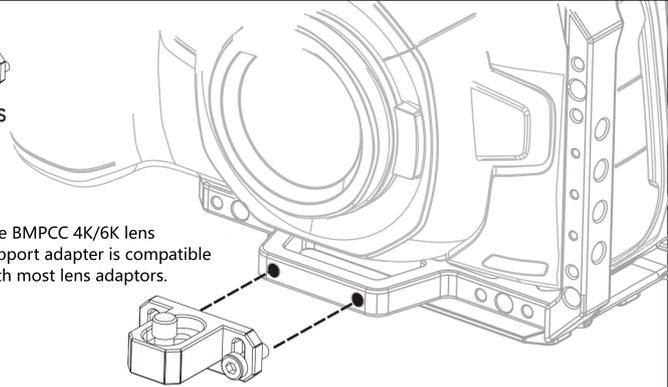

The BMPCC 4K/6K top handle is compatible with any Tilta tactical cold shoe mount.

1

TA-T01-LAS

4

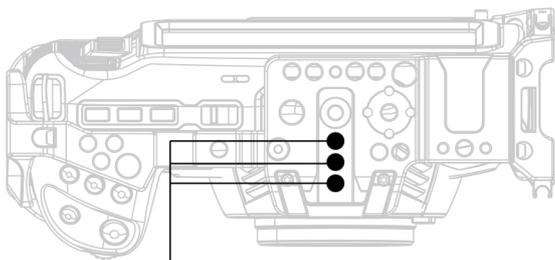

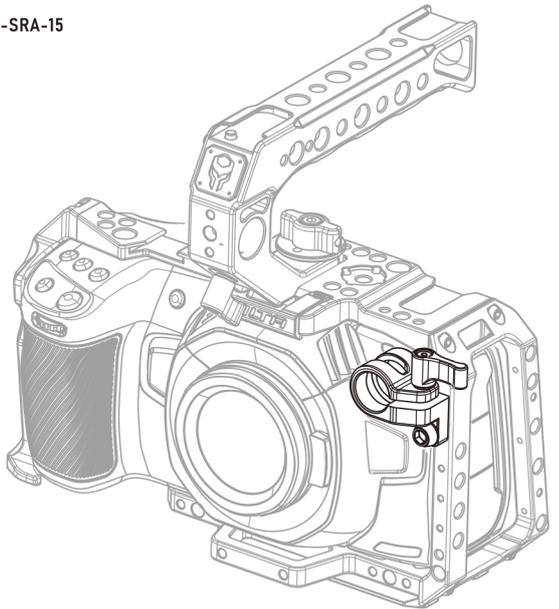

The BMPCC 4K/6K lens support adapter is compatible with most lens adaptors.

5

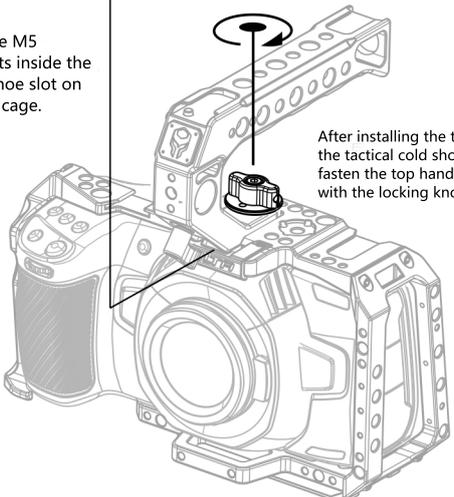

TA-SRA-15

The single rod adapter can be installed on four different parts of the cage body as shown. It can be used with the Nucleus Nano and most single sided follow focus systems.

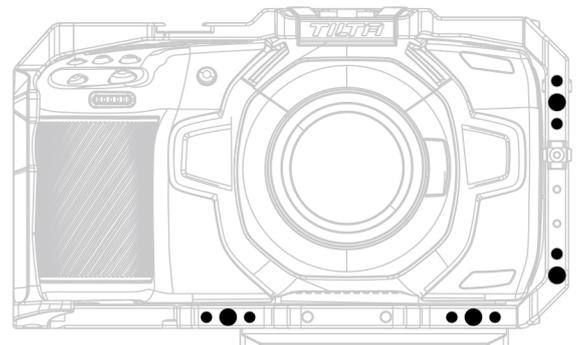

There are three M5 mounting ports inside the tactical cold shoe slot on the top of the cage.

2

After installing the top handle into the tactical cold shoe mount, fasten the top handle to the cage with the locking knob as shown.
